### **Right to assistance**

The holders of any number of shares registered in their name in the book-entry register of any of the entities participating in the "Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores, S. A. U." (Iberclear) shall have the right to attend the General Shareholders' Meeting in person or by electronic means at least five (5) business days prior to the date on which the General Shareholders' Meeting is to be held (23 March 2023), and who, in addition, maintain ownership thereof until the General Shareholders' Meeting is held.

Shareholders wishing to attend the General Meeting in person must first be authorised to attend by means of the corresponding nominative attendance card, indicating the number of shares they own and the number of votes they may cast. The card will be issued, at the request of the Shareholder, either directly by the Company through the Secretary's Office and upon accreditation of the Shareholder's status as a shareholder, or through Iberclear's member entities in charge of the accounting record. The Shareholder must obtain the corresponding attendance card up to five (5) days prior to the date of the General Meeting. Applications may be sent to the attention of the Investor Relations Department at the following e-mail address: [investors@reigjofre.com](mailto:investors@reigjofre.com).

For the purpose of accrediting the identity of the Shareholders physically attending the General Meeting, on the day and at the place scheduled for the holding of the General Shareholders' Meeting and from one (1) hour prior to the time announced for the commencement of the meeting, Shareholders may present their respective attendance or proxy cards, together with their

national identity card or any other official document accepted for such purposes, to the personnel in charge of the shareholders' register. Shareholders who are legal persons may also be asked to present documents proving the status of proxy holder of the shareholder who is a legal person. Attendance or proxy cards of Shareholders presented to the staff in charge of the shareholders' register after the time set for the commencement of the General Shareholders' Meeting shall not be accepted.

### **Representation**

Any Shareholder entitled to attend may be represented at the General Shareholders' Meeting by another person, even if such person is not a shareholder, who may attend the Meeting in accordance with the requirements of the Law, the Articles of Association (article 17) and the Regulations of the General Shareholders' Meeting (article 9) by means of the proxy form printed on the "Proxy and Remote Voting Card".

Shareholders wishing to delegate their vote by means of the "Proxy and remote voting card" template that the Company makes available to them must download the "Proxy and distance voting card" from the corporate website ([www.reigjofre.com/es/inversores/junta-general-Accionistas](http://www.reigjofre.com/es/inversores/junta-general-Accionistas)), print it out, fill it in and sign it in the section corresponding to "Proxy" and it must be accompanied in all cases by the attendance card issued by the Company or, as the case may be, by the entity in which the shares are deposited (stating the number of shares held and the number of votes corresponding thereto), duly signed by handwritten signature.

In the event that the "Proxy and remote voting card" is not duly completed and, therefore, the identity of the proxy holder or the instructions for the exercise of the vote are not stated or there are doubts as to its destination or scope, it shall be understood that, unless the shareholder expressly indicates otherwise, the proxy is granted in favour of the Chairman of the Board of Directors, includes all the items included in the agenda of the notice of the General Meeting, incorporates the vote in favour of all the proposed resolutions formulated by the Board of Directors as items on the agenda of the notice of the meeting, and also refers to the items not included in the agenda of the notice of the meeting that may be dealt with at the General Shareholders' Meeting as permitted by law.

The proxies conferred may be presented by the proxy holder on the day and at the place where the General Shareholders' Meeting is held, or may be sent by the shareholder to the Company in advance by post or courier to the registered office of the Company (calle Gran Capità nº 10, 08970 Sant Joan Despí, Barcelona), addressed to the Investor Relations Department, for the attention of the Chairman of the Board of Directors.

Alternatively, the shareholder may grant proxy by means of remote electronic or telematic communication that duly guarantees the proxy granted and the identity of the shareholder represented. Proxies granted by these means must be made through the Electronic Shareholders' Forum available on the corporate website ([www.reigjofre.com/es/inversores/junta-general-Accionistas](http://www.reigjofre.com/es/inversores/junta-general-Accionistas)).

A shareholder granting a remote proxy undertakes to inform the appointed proxy holder of the proxy granted, which must also be accepted by the proxy holder. When the proxy is granted to a Director of the Company, such notice shall be deemed to have been given once the Company

receives such notice of proxy, in which case the proxy holder shall be exempt from the obligation to identify themselves as provided in the following paragraph.

In any case, the proxy must be presented on the day the General Meeting is held by the proxy holder, who shall attend the Meeting either physically or remotely, following the instructions set out below.

### **Remote voting**

Shareholders may vote on the items on the Agenda of the General Shareholders' Meeting prior to the meeting by means of remote communication, in accordance with the provisions of the Capital Companies Act, the Articles of Association (article 17) and the Regulations of the General Shareholders' Meeting (article 19). The valid means of communication for casting an absentee vote are:

a) Electronic means

Voting by electronic correspondence must be done through the Electronic Shareholders' Forum on the corporate website ([www.reigjofre.com/es/inversores/junta-general-Accionistas](http://www.reigjofre.com/es/inversores/junta-general-Accionistas)).

b) Post

In order to cast an absentee vote by post, shareholders must download the "Proxy and Remote Voting Card" made available by the Company on the corporate website ([www.reigjofre.com/es/inversores/junta-general-Accionistas](http://www.reigjofre.com/es/inversores/junta-general-Accionistas)), print it out, fill it in and sign it in the section corresponding to "Remote Voting", which must in all cases be accompanied by the attendance card (stating the number of shares held and the number of votes corresponding thereto) issued by the Company or, as the case may be, by the entity with which the shares are deposited, duly signed by handwritten signature.

Once filled in with a handwritten signature, the shareholder may send it by post or courier to the Company's registered office (calle Gran Capità nº 10, 08970 Sant Joan Despí, Barcelona), addressed to the Investor Relations Department, for the attention of the Chairman of the Board of Directors.

### **Rules on remote voting and proxy**

The basic rules governing remote voting and proxy are as follows:

- Remote votes and proxies (whether electronic or by post) must be received by the Company at least five (5) days prior to the date scheduled for the General Shareholders' Meeting, depending on whether the General Shareholders' Meeting is held on first or second call, respectively. As the General Shareholders' Meeting is expected to be held on first call, the Company may receive the relevant documents up until 23:59h on 23 March 2023.
- Remote voting and proxy services will be available to Shareholders as from the date of publication of the notice of call.

- The remote voting shall have the value of revocation of the remote proxy irrespective of their respective dates.
- Personal attendance, either physically or remotely, at the General Shareholders' Meeting by a Shareholder who has previously granted a proxy or voted by remote means shall render such proxy or vote ineffective.
- A vote cast by postal or electronic correspondence shall be deemed to be revoked by the subsequent sending of a contrary vote.
- The validity of the proxy granted and the vote cast by remote means of communication shall be subject to the Company verifying the proxy holder's status as shareholder.

For the purposes of exercising remote voting and proxy rights, the Company shall provide a tool through the Electronic Shareholders' Forum consisting of an electronic voting and proxy platform using a digital certificate and on the basis of the book-entry register (hereinafter, the "**Platform**"), with details of voting instructions, linked to the Company's website ([www.reigjofre.com/es/inversores/junta-general-Accionistas](http://www.reigjofre.com/es/inversores/junta-general-Accionistas)), which will make it possible to verify the identity of the Shareholder by means of an electronic signature certificate, Tax ID No. or other.

Any user requesting access to the Platform must do so by filling in the "Registration Form", together with the supporting documentation requested (Tax ID No., bank documents and, where appropriate, such other documentation as may be determined by the Company).

Once the shareholder has completed the "Registration Form" and attached all the requested documentation, the members of the Board of Directors appointed by the Company will proceed to activate the user in order to access the Platform.

The Platform will be active from the date of publication of the announcement of the call until the General Meeting, as determined by the Company.

#### **Rules for remote attendance**

Notwithstanding the fact that shareholders may be represented at the General Meeting by other persons who exercise their vote on the items on the agenda prior to the meeting, either by post or by electronic means, pursuant to article 17 of the Company's Articles of Association and article 11 of the Regulations of the General Shareholders' Meeting, the Board of Directors has also agreed to make it possible to attend the Ordinary and Extraordinary General Shareholders' Meeting by electronic means, allowing shareholders who wish to remotely attend and participate in the General Meeting to do so in real time.

Shareholders or their proxy holders wishing to attend the General Meeting remotely must first register on the Electronic Attendance Platform via the Company's corporate website ([www.reigjofre.com/es/inversores/junta-general-Accionistas](http://www.reigjofre.com/es/inversores/junta-general-Accionistas)), between 11:00 a.m. on the preceding day (29 March 2023, in the event of the General Meeting being held on first call) and 10:45 a.m. on the day of the General Shareholders' Meeting. After that time, no registration for the exercise of the right to attend, to be represented and to vote will be accepted.

In order to prove their identity, shareholders or their proxy holders must identify themselves by one of the following means:

Proof of identity of shareholders:

Shareholders must identify themselves using their national electronic identity card (DNIe), by means of a recognised and valid electronic signature certificate issued by the Spanish Public Certification Authority (CERES) dependent on the Spanish Mint, or by sending the nominative attendance card to the Company ([investors@reigjofre.com](mailto:investors@reigjofre.com)) (stating the number of shares held and the number of votes corresponding thereto) together with a copy of the shareholder's National Identity Card.

If the shareholder is a legal entity, the proxy who is to complete the registration process on behalf of the legal entity shareholder must prove the power of attorney enabling them to act on behalf of the legal entity shareholder and their identity by submitting the following documentation to the Company ([investors@reigjofre.com](mailto:investors@reigjofre.com)): i) a nominative attendance card (stating the number of shares held and the number of votes corresponding thereto) issued in the name of the legal entity shareholder, ii) a copy of the proxy's National Identity Document (or NIE) and, iii) a copy of the document accrediting the power of attorney or position that allows them to act on behalf of the legal entity shareholder.

Proof of identity of the proxy holders:

Proxy holders must identify themselves by means of their national electronic identity card (DNIe), by means of a recognised and valid electronic signature certificate issued by the Spanish Public Certification Authority (CERES), which depends on the Spanish Mint, or by submitting the following documentation to the Company ([investors@reigjofre.com](mailto:investors@reigjofre.com)): i) proxy card, ii) copy of the nominative attendance card of the shareholder represented, iii) copy of the shareholder's National Identity Card and, iv) copy of the proxy holder's National Identity Card.

If the shareholder's proxy holder is itself a legal entity, in addition to the documentation indicated above, the proxy who is to complete the registration process must send the Company a copy of the National Identity Document (or NIE) of the proxy and the document accrediting the power of attorney ([investors@reigjofre.com](mailto:investors@reigjofre.com)).

In order for the proxy holder to be able to register on the Electronic Attendance Platform and remotely attend the General Meeting with shares not owned by him/her, it shall be a prerequisite that the shareholder represented has notified the Company of the proxy in the manner, form and within the deadlines set forth in this call to meeting. If not, the proxy holder will not be able to remotely attend the Meeting on behalf of the shareholder who delegated their proxy.

Notwithstanding the foregoing, the Company reserves the right to request Shareholders (and/or proxy holders) to provide the additional means of identification that it deems necessary to verify their status as Shareholders (and/or proxy holders) and, thereby, remote attendance.

Once the accreditation has been validated by the Company, the shareholder and/or duly registered proxy holder will receive a user name and password to access the Electronic Attendance Platform.

That said, attendance at the General Meeting by electronic means shall be subject to the following basic rules:

- **Connection and assistance:** Pursuant to the provisions of the Regulations of the General Meeting and in order to enable the proper management of the electronic attendance systems, the shareholder and/or registered proxy holder must connect to the Company's website through the Electronic Attendance Platform between 8:00 a.m. and 10:45 a.m. on the day of the General Meeting and identify themselves as indicated in the corresponding instructions. After that time, no connection shall be permitted for the exercise of the right to attend. Thereafter, shareholders and/or proxy holders will be able to follow the webcast of the Meeting in real time.

Shareholders or proxy holders wishing to expressly withdraw from the General Meeting must do so by means of the option provided for this purpose on the Electronic Attendance Platform. Once notice has been given expressing their wish to leave the meeting, any subsequent actions taken shall be deemed not to have been carried out.

- **Participations and questions:** Shareholders and/or proxy holders who, in the exercise of their rights, intend to participate in the Meeting and, where appropriate, request information or clarifications in relation to the items on the Agenda, shall state their intention to do so at the time the shareholder and/or proxy holder accesses the Electronic Attendance Platform on the day the Meeting is held.

Participations, requests for information and, if applicable, proposals in appropriate cases, must be submitted in writing through the link provided for this purpose on the Electronic Attendance Platform before the closing time for participations, which is 10:45 a.m. on the day the Meeting. If shareholders and proxy holders wish for their participation to be recorded in the Minutes of the General Meeting, they must expressly state this in the heading of their written statement.

Requests for information or clarifications from shareholders and proxy holders attending remotely shall be answered verbally during the General Shareholders' Meeting or in writing within seven (7) days after the General Shareholders' Meeting.

- **Vote:** Shareholders and proxy holders attending the General Meeting electronically may vote on the proposed resolutions corresponding to the items on the agenda through the link and form provided for this purpose on the Electronic Attendance Platform, from the time of their connection as attendees until the time at which voting on the proposed resolutions for the items included on the agenda is completed, which will be duly indicated during the course of the Meeting.

If, during the General Meeting, proposed resolutions corresponding to items not included on the agenda are put forward, voting by electronic means on the aforementioned proposals shall be carried out through the link and voting form set up for this purpose on the Electronic Attendance Platform, from the time they are read for voting until the time the voting is completed, which shall be duly indicated during the course of the General Meeting.

Shareholders who attend the General Meeting electronically and have previously cast their vote remotely in accordance with the terms indicated in this call to meeting shall be deemed to be present for the purposes of the constitution of the General Meeting and, consequently, the proxy or remote vote cast by them previously shall be deemed revoked. Therefore, remote attendance of shareholders shall prevail over votes cast remotely and proxies granted prior to the General Meeting.

- **Other issues:**
  - i. It is the sole responsibility of the shareholder and/or proxy holder to safeguard and use the user name and password provided to access the Electronic Attendance Platform.
  - ii. The Company shall not be liable for any damages that may be caused to the shareholder and/or proxy holder due to breakdowns, overloads, line failures, connection failures or any other eventuality of the same or a similar nature that are beyond the Company's control and prevent the use of the mechanisms for remotely attending the Meeting. Therefore, such circumstances shall not constitute an unlawful deprivation of Shareholders' rights.

#### **Electronic Shareholders' Forum**

The Company has set up an Electronic Shareholders' Forum on its website ([www.reigjofre.com/es/inversores/junta-general-Accionistas](http://www.reigjofre.com/es/inversores/junta-general-Accionistas)), for the legally established purpose of facilitating communication between its Shareholders on the occasion of the General Meeting, which can be accessed by both individual Shareholders and Shareholders' associations that are duly legitimised, following the instructions published by the Company on its website ([www.reigjofre.com/es/inversores/junta-general-Accionistas](http://www.reigjofre.com/es/inversores/junta-general-Accionistas)) on the occasion of the call to meeting.

The Electronic Shareholders' Forum will be available until 10:45 a.m. on the day of the General Shareholders' Meeting.

#### **Intervention by a notary**

The Board of Directors has resolved to request the presence of a Notary Public to draw up the minutes of the General Shareholders' Meeting, in accordance with the provisions of article 203 of the Capital Companies Act in relation to article 101 of the Mercantile Register Regulations.

#### **Processing of personal data**

In accordance with the provisions of current legislation on the processing of personal data, the personal data of the Shareholders and, where appropriate, of their proxy holders, provided to the Company for the exercise or delegation of their rights of attendance; information; participation in the Electronic Shareholders' Forum; as well as for the fulfilment of any other legal obligations arising from the call to and holding of the General Meeting, for which Laboratorio Reig Jofre, S.A. is responsible, shall be processed in order to manage and control both the existing shareholder

relationship and the call to, holding of and dissemination of the General Meeting, as well as to comply with its legal obligations. You are also informed that the General Meeting may be recorded for the sole and exclusive purpose of dissemination on the Company's website ([www.reigjofre.com](http://www.reigjofre.com)) and therefore, strictly for this purpose, your image and voice may be captured for reproduction, distribution and communication in the aforementioned context. The data may be communicated to public authorities and bodies in order to comply with a required legal obligation, as well as to service providers and third parties necessary for the management and execution of the relations derived from the service and/or contractual relations.

These data shall be provided to the Notary attending the General Meeting, exclusively in connection with the drawing up of the notarial minutes of the General Shareholders' Meeting.

Shareholders are informed of the possibility of exercising their right of access, rectification, cancellation or opposition, under the terms established for this purpose in current legislation, by sending an e-mail to the contact e-mail address on the corporate website ([www.reigjofre.com/es/contacto](http://www.reigjofre.com/es/contacto)).
