Increase the share capital by the amount resulting from multiplying: (a) the nominal value of each share of 'LABORATORIO REIG JOFRE, S.A.' (hereinafter, the '**Company**'), equivalent to fifty (50) euro cents, by (b) the total determinable number of new Company shares to be issued, in accordance with the formula set out in section 3 below, on the date of implementation of the Capital Increase (all new shares of the Company issued in implementation of this resolution being collectively referred to as the 'New Shares', and each of them, individually, as a 'New Share') and in any event, not exceeding the maximum amount of €3,265,073.75 (hereinafter, the '**Capital Increase**').

The Capital Increase will be carried out through the issue and flotation, if applicable, of the New Shares on the date of implementation of the Capital Increase, which will be ordinary shares of fifty (50) euro cents par value each, of the same class and series as those currently outstanding, represented by book entries.

The Capital Increase will be fully charged to the reserves provided for in article 303.1 of the Capital Companies Act. When implementing the Capital Increase, the Board of Directors, with express power of substitution, shall determine the reserve(s) to be used and the amount thereof in accordance with the balance sheet serving as the basis for the transaction.

The New Shares will be issued at par, i.e. at their nominal value of fifty (50) euro cents each, without share premium, and will be allocated to the Company's shareholders free of charge.

The Capital Increase may be implemented, within one year from the date of adoption of this resolution, by the Board of Directors, with express power of substitution, at its sole discretion and without having - therefore - to come back to this General Shareholders' Meeting and, in view of the legal and financial conditions at the time of implementing the Capital Increase, in order to offer the Company's shareholders a flexible and efficient remuneration formula. The number of New Shares to be issued shall be the number resulting from the formula set out in section 3 below, the Option Amount (as defined in section 3 below) being equal to the maximum amount of €3,265,073.75.

In accordance with the provisions of article 311 of the Capital Companies Act, the possibility of incomplete allocation of the Capital Increase is provided for in the event that the Company, a shareholder or a third party holder of pre-emptive subscription rights waives all or part of the preferential subscription rights they hold at the time of implementation of the Capital Increase. In the event of such a waiver, the share capital shall be increased by the corresponding amount.

3. New Shares to be issued.

The number of New Shares to be issued will be the number resulting from the application of the following formula, rounded down to the next lower whole number:

$\text{NAN} = \text{NTAcc} / \text{No. of Rights}$
--

Where:

NAN = Number of New Shares to be issued;

NTAcc = Number of Company shares in circulation on the date on which the Board of Directors, or the body to which it delegates, resolves to implement the Capital Increase; and

No. rights = Number of pre-emptive subscription rights required for the allocation of one New Share, which will be the result of the application of the following formula, rounded up to the next higher whole number:

No. rights = NTAcc / Provisional no. shares where,

Provisional no. of shares = Option Amount / PreCot.

For these purposes, the 'Option Amount' shall mean the maximum value of €3,265,073.75 set by the Board of Directors.

'PreCot' shall also be the arithmetic mean of the weighted average trading prices of the Company's shares on the Bilbao, Madrid, Barcelona and Valencia stock exchanges during the five trading sessions prior to the resolution of the Board of Directors (or the body to which it delegates) determining the number of pre-emptive subscription rights required for the allotment of one New Share, as well as the Purchase Price (as defined below), rounded to the nearest thousandth of a euro.

4. Pre-emptive subscription rights.

Each outstanding Company share shall carry one pre-emptive subscription right.

The number of pre-emptive subscription rights required to receive one New Share will be determined automatically according to the ratio between the number of Company shares in issue on the date of implementation of the Capital Increase (NTAcc) and the provisional number of New Shares, calculated in accordance with the formula set out in section 3 above. In particular, holders of pre-emptive subscription rights will be entitled to receive one New Share for each number of pre-emptive subscription rights determined in accordance with section 3 above (No. rights) held by them.

If the number of pre-emptive subscription rights required for the allotment of one New Share (No. rights) multiplied by the number of New Shares to be issued (NAN) results in a number less than the number of Company shares in issue on the date of implementation of the Capital Increase (NTAcc), the Company will waive a number of pre-emptive subscription rights equal to the difference between the two figures, for the sole purpose of the number of New Shares being a whole number and not a fraction.

Pre-emptive subscription rights will be allocated to those who appear in the accounting records of Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores, S.A. Unipersonal (IBERCLEAR) as entitled to them on the relevant date.

Pre-emptive subscription rights shall be transferable under the same conditions as the shares from which they derive. Pre-emptive subscription rights may be traded on the market for a period to be determined by the Board of Directors, with the express power of substitution for a period of at least fifteen calendar days. During this period, sufficient pre-emptive subscription rights may be acquired on the market in the proportion necessary to receive New Shares.

5. Irrevocable commitment to purchase pre-emptive subscription rights.

On the occasion of the implementation of the Capital Increase, the Company will enter into an irrevocable commitment to purchase the pre-emptive subscription rights at the price indicated below (hereinafter, the '**Purchase Commitment**'). The Purchase Commitment shall be in force and may be accepted for such period within the rights trading period as may be determined by the Board of Directors, with express power of substitution. For this purpose, it is resolved to authorise the Company to acquire such pre-emptive subscription rights, up to the maximum limit of the total number of rights to be issued, subject in all cases to the legal limitations.

The object of the Purchase Commitment undertaken by the Company shall apply to the pre-emptive subscription rights received by those who appear legitimised in the accounting records of Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores, S.A.

Unipersonal (IBERCLEAR) on the corresponding date, excluding those rights that have been transferred on the market.

The 'Purchase Price' shall be the fixed price at which the Company will acquire each pre-emptive subscription right under the Purchase Commitment and shall be calculated in accordance with the following formula, the result being rounded off to the nearest thousandth of a euro and, in the case of half a thousandth of a euro, to the nearest thousandth of a euro:

$\text{Purchase Price} = \text{PreCot} / (\text{No. rights} + 1)$

The acquisition by the Company of the pre-emptive subscription rights as a result of the Purchase Commitment will be charged against the reserves provided for in article 303.1 of the Capital Companies Act.

6. Balance sheet for the operation and reserve against which the Capital Increase is made.

The balance sheet on which the transaction is based is the balance sheet for the year ended 31 December 2023, duly audited by the Company's auditors, KPMG Auditores, S.L., and submitted for approval at this General Shareholders' Meeting.

The Capital Increase will be fully charged to the reserves provided for in article 303.1 of the Capital Companies Act. When implementing the Capital Increase, the Board of Directors, with express power of substitution, shall determine the reserves to be used and the amount thereof in accordance with the balance sheet serving as the basis for the transaction.

7. Representation of the New Shares.

The New Shares will be represented by book entries, the accounting record of which is attributed to the Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores, S.A. (Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores, S.A.). Unipersonal (IBERCLEAR) and its participating entities.

8. Rights of the New Shares.

The New Shares will confer on their holders the same voting and dividend rights as the Company's outstanding ordinary shares as from the date on which the Capital Increase is declared subscribed and paid up.

9. Depositary shares

At the end of the pre-emptive subscription rights trading period, the New Shares which could not be allotted for reasons not attributable to the Company will be held in deposit at the disposal of those who can prove that they are the legitimate holders of the corresponding pre-emptive subscription rights. After three years from the date of expiry of the aforementioned pre-emptive subscription rights trading period, the New Shares still pending allotment may be sold in accordance with the provisions of article 117.3 of the Capital Companies Act, at the risk and cost of the interested parties. The liquid amount of the aforementioned sale will be deposited with the Bank of Spain or the Caja General de Depósitos at the disposal of the interested parties.

10. Request for admission to trading.

To apply for admission to trading of the New Shares to be issued by virtue of this resolution to increase the share capital on the Bilbao, Madrid, Barcelona and Valencia Stock Exchanges, through the Automated Quotation System (Sistema de Interconexión Bursátil) (Continuous Market), and to carry out such formalities and actions as may be necessary and submit such documents as may be required to the competent bodies for the admission to trading of the New Shares issued as a result of the agreed Capital Increase, expressly stating the Company's submission to such rules as may exist or may be issued in relation to the Stock Exchange and, in particular, on trading, continued listing and delisting.

It is expressly stated for the record that, in the event that the delisting of the Company's shares is subsequently requested, it will be adopted with the same formalities as those applicable and, in such event, the interest of the shareholders who oppose the delisting resolution or do not vote for it will be guaranteed, complying with the requirements set forth in the Capital Companies Act and concordant provisions, all in accordance with the provisions of Legislative Decree 4/2015, of 23 October, which approves the revised text of the Securities Market Act and its implementing provisions in force at any given time.

Within one year from the date of this resolution, the Board of Directors, with express power of substitution, may set the date on which the Capital Increase resolution is to be carried out and fix the terms and conditions thereof in all matters not provided for in this resolution. Notwithstanding the foregoing, if the Board of Directors, with express power of substitution, does not consider it advisable to implement all or part of the Capital Increase within the aforementioned period, it may refrain from implementing it, reporting thereon at the next General Shareholders' Meeting to be held.

In particular, the Board of Directors shall analyse and take into account the market conditions, the conditions of the Company or those arising from any fact or event of social or economic significance and, in the event that these or other elements, in its opinion, make it inadvisable to implement the Capital Increase, it may refrain from doing so. Furthermore, the Capital Increase shall be null and void if, within the period of one year set by the General Shareholders' Meeting for its implementation, the Board of Directors does not exercise the powers delegated to it.
